

SUMMER LEARNING PROGRAM

Avon Maitland DSB is very excited to announce tremendous learning opportunities for students in Grade 7 and 8 across the District this summer.

WHO?

Students entering grade 7, 8 or 9.

WHEN AND WHERE?

- » July 3 – 6 at Stratford or Exeter
- » July 9 – 13 at Stratford or Listowel
- » July 16 – 20 at Wingham or Goderich

WHAT?

- » Maker Madness **OR** Media Mania

MEDIA MANIA

Media Mania is a fun tech-infused four-day camp that is designed to boost literacy skills of students entering grade 7, 8 or 9 by giving them the opportunity to be creative and generate a variety of media texts. We will explore the use of green screens, stop motion, comics, animations and variety of video tools that will help them to think critically and communicate their ideas. The first few days will be spent learning the ins and outs of all the apps followed by an opportunity for students to collaborate to create media texts of their choice. All apps will be provided and serve you well all the way through high school.

iMOVIE

We will learn how to tell stories like never before through the creation of beautiful Hollywood-like movies on this powerful video editing application.

GREEN SCREEN BY DO INK

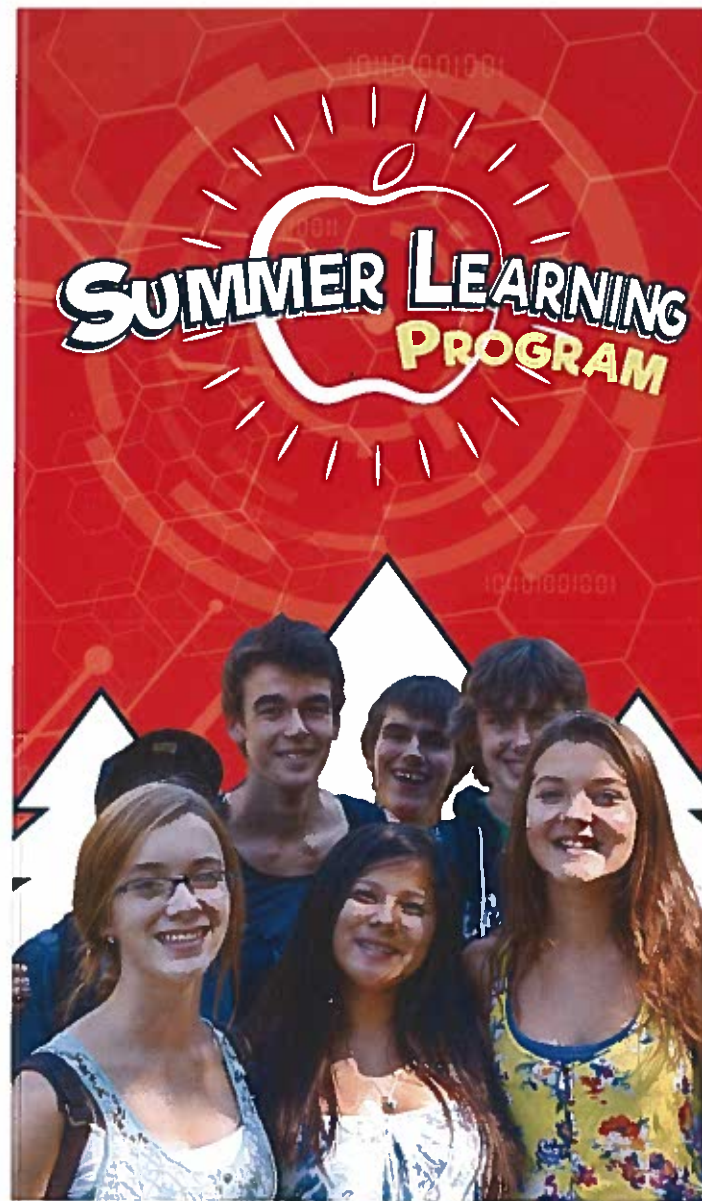

Will make it easy to create incredible green screen videos and images right on your iPad. The app lets you combine photos and videos from the camera roll with live images from your iPad's camera. With Green Screen by Do Ink, we will learn to tell stories, explain ideas, and express yourself in truly creative and unique ways.

ANIMATION & DRAWING BY DO INK

The fun, creative way to make animations on the iPad. The app was designed to be easy for beginners and young animators, but with powerful tools for creating advanced animations.

BOOK CREATOR

Will allow us to create and publish eBooks with one of the most popular education apps amongst teachers, used in classrooms from Kindergarten to College. The sky's the limit with this as we can create textbooks, to storybooks to comics.
